

# THAT'S SOME BLOOD LINE.

## THE MOST COMPLETE LINE ON THE MARKET

Safety, innovation and performance are in our vehicles DNA and Rosenbauer offers the most complete line of ARFF vehicles in the industry. The design of Rosenbauer's ARFF vehicles sets unparalleled standards for airfield emergency response with features like our High Performance Coil Spring Suspension (HPCS), selectable foam proportioning, high efficiency water pumps and integrated ergonomic control design. To see what we're made of, check us out on the web or contact us today. 651.462.1000
